Tanja Zseby Publications

Books and Conference Proceedings

Book Chapters

Contributions to Journals and Magazines
7. ZSEBY, T., FABINI, J., RANI, D. Synchronphasor Communication, accepted for publication in Elektrotechnik und Informationstechnik (e&i), Heft 1, 2014.
Contributions to Conferences and Workshops

20. CAMPOWSKY K., HENKE, C., WAHLE, S., WUTTKE, R., ZSEBY, T., On Creating Overlay Routing Topologies between Heterogeneous Experimental Facilities, 7th International ICST Conference on Testbeds and Research Infrastructures for the Development of Networks and Communities (TridentCom 2011), April 17-19, 2011 - Shanghai, China (April 2011)

Short Papers, Posters and Demonstrations

49. Zseby, T. Entropy in IP Darkspace Data, In 7th CERT Workshop on Flow Analysis (FloCon 2012), Austin, Texas, USA (January 2012).

55. Henke C., Santos T., Zseby T. Packet Tracking Visualization Demo. Poster presentation and demonstration at PAM 2010 Eleventh Passive and Active Measurement (PAM 2010), Zurich, Switzerland, April 7-9th, 2010.

**Presentations**

65. ZSEBY T. Measurement Tools in PlanetLab Europe. Presentation at I&M working group at 8th GENI Engineering Conference (GEC8), La Jolla, CA, USA, July 20-22, 2010.

Contributions to IETF Standardization (RFCs)

86. ZSEBY, T., ZANDER, S., AND CARLE, G. RFC 3334: Policy-Based Accounting, Experimental, October 2002.

Patents and Patent Applications

91. NIKOLAOS CHATZIS, ENRIC PUJOL, TANJA ZSEBY, OTHMAR KYAS, MARTIN WINAU. Method and Device for Analysing a Communication Network. European patent application 11172803.6, July 6, 2011
